We are here to provide you with all of the necessary resources to help make your move as simple and stress-free as possible. We cater to the individual needs of each and every resident.

We're also proud to feature many wonderful amenities - especially the unique enclosed park that is located in the center of our community. This peaceful retreat is a favorite for gardening, bird-watching and enjoying the sunshine, fresh air and green space.

ASSISTED LIVING

Our assisted living community allows independence while also helping with certain daily activities that may be challenging for some residents including bathing, dressing, and medication reminders or administration.

- Staff available 24-hours-a-day with nurse oversight
- 24-hour emergency response system
- Bathing assistance
- Life enrichment activities and outings
- Three delicious meals daily
- Meal and activity reminders
- Scheduled local transportation to medical appointments
- Additional personal care assistance available

Each resident has a personalized plan of care so that you, or your loved one, may receive just the right amount of care and services.

RESPITE / VACATION CARE

Waneka Park accepts reservations for respite / short-term accommodations.

A respite stay allows for an individual to receive care and services outside of the home so that the caretaker may take a break for a short amount of time.

Respite stays may last from a week to a month and guests will typically enjoy:

- A spacious and attractively furnished guest suite
- Three meals and snacks each day
- Assistance with care and medication administration
- Activities and events

Our respite suites are affordably priced at an all-inclusive daily rate.

Perhaps you have an emergency that you need to attend to, or are planning a trip somewhere and need a safe and secure care option for your loved one. Knowing your loved one is receiving 24-hour care in a safe and secure environment can allow you peace of mind while you are away.

COMMITTED TO KINDNESS

There is a lot to like at Waneka Park. Although we are located in a popular and growing area, our assisted living residence is tucked away from the traffic in a quiet neighborhood with mature trees and lots of green, park-like space.

We are easy to get to and are close to hospitals and medical practices. Within walking distance, there are many wonderful shops and restaurants to enjoy.

There are several apartment floor plans to choose from - each with soaring ceilings and large windows that allow for plenty of light and great views.

Most residents find that they spend less time in their apartments and more time talking with friends and family members in one of the many comfortable common areas located throughout the community, or outside in our enclosed private park oasis.

We would love to learn more about what matters the most to you in your search for an assisted living residence. Please schedule an exclusive tour today.
